

GUY NEW YORK

AUTHOR, PUBLISHER, SEX BLOGGER

Guy New York

guy@quickienewyork.com | www.guynewyork.com | medium.com/@Quickiesnewyork

Overview:

One of the most prolific sex bloggers on the internet, I've been writing about sex for over six years, creating a unique voice on topics such as Polyamory, BDSM, Open Marriage, masculinity, and relationships, along with erotica writing and indie-publishing. I've sold more than **15,000 books**, and received over a **million unique visitors** to my blog Quickies in New York.

2009-2015: Quickies in New York

Author, Publisher, Sex Blogger

- Published more than **1,000 short stories** to the blog *Quickies in New York* garnering more than one million unique visitors.
- Written, published, and designed **26 books**, including two full length novels (*The Island on the Edge of Normal*, and *Disgusting Beautiful Immoral*), one collection of poems, and numerous short stories including the Amazon Best selling book *Brorotica*.
- Wrote and Published *Write Till You're Hard*, a top ten bestselling book on Amazon for How To Write Erotica.
- Designed covers and interiors for over 30 print and e-books, both my own and for clients.
- Published, converted, and distributed over 30 print and e-books.

2013-2015: Dirty Boys

Co-creator of Dirty Boys Reading Series and Podcast

Created and produced a public reading series and podcast event which happens at the Parkside Longue four times a year. With a consistent attendance of over 50 paying guests, the event has become one of the largest erotic reading series in New York City. And definitely the filthiest.

Press

- Appeared in *Playboy Espanol*, on the *Tangentially Speaking* Podcast with Dr. Christopher Ryan, Fleshbot, Violet Blue's *Tiny Nibbles*, and thousands of other blogs.
- Won *Between My Sheets* number one spot in The Top 100 Sex Blogger listing.
- Been published and recorded for Sonic Erotica.

Education:

Graduated Earlham college in 1998 with a degree in Japanese Studies.

Skills:

I design in Photoshop and Indesign, convert books with Calibre, edit e-books in Sigil and BBEEdit, blog with Tumblr and Wordpress, code in HTML and CSS, and project manage with Asana.
